PASSENGER INFORMATION

Founded in 1972, Pompano Airways provides reliable and comfortable transportation throughout Florida and to the Bahamas. We utilize twin engine nine-passenger commuter aircraft featuring very sophisticated navigation and color radar equipment, built for commuter operations by Cessna Aircraft Company. Pompano Airways, whose airline code is MG, can offer its passengers interline connections with all major carriers, confirmed reservations on most airlines, and single ticket and baggage check to your ultimate destination. Best of all, since Pompano Airways participates in joint fare agreements with most major air carriers, we may be able to save our passengers money.

RESERVATIONS: Reservations shall be tentative unless and until carrier has issued a validated ticket for space reserved. To avoid cancellation of a reservation without notice, a right of the carrier, passengers are urged to make reservations and purchase tickets well in advance.

FORT LAUDERDALE/HOLLYWOOD INTERNATIONAL PASSENGERS: Pompano Airways ticket counter is located in the Pan Am building. Bag-gage will arrive on Belt C.

BAGGAGE: Baggage is carried free of charge for full fare paying passengers with a maximum allowance of 40 pounds per passenger. Passengers carrying excess baggage will be charged an additional sum per pound, based upon current and applicable tariffs. Pompano Airways liability for lost or damaged baggage is $750.00 per full fare passenger on domestic, flights, and $20.00 per kilogram for checked baggage and $400.00 per passenger for unchecked baggage on international trips. A higher valuation may be declared for any baggage, and paid prior to the departure of the flight.

CHECK-IN FOR FLIGHTS: To maintain our industry on-time record, we reserve the right to cancel the reservation of any passenger who fails to present himself/herself at the boarding area at least ten (20) minutes prior to scheduled departure of a domestic flight, and at least twenty (30) minutes before scheduled departure time of an international flight.

SPORTING EQUIPMENT AND MUSICAL INSTRUMENTS: All items are carried on a space-available basis and at passenger's risk. Passengers may be required to sign a form releasing Pompano Airways from liability for damage to such items.

BAGGAGE CLAIMS: All damage to or loss of baggage must be reported to Pompano Airways immediately upon termination of your flight.

CREDIT CARDS: Pompano Airways honors American Express, Master Charge and Visa.

DENIED BOARDING COMPENSATION: Pompano Airways overbooks certain flights to compensate for persons holding and not utilizing reservations, thus making available more seats for those persons actually seeking them. As a result, there is a slight chance that a seat may not be available for a person holding a confirmed reservation. In that event, Pompano Airways will confirm reservations on its next available flight.

TICKET REFUND: Tickets purchased from other airlines or travel agents must be refunded by the issuing party. Tickets purchased from Pompano Airways may be mailed to our corporate office.

CHARTERS: Pompano Airways offers various sizes of twin engine aircraft including executive prop jet aircraft for charter. For information, call our Charter Department at (305) 524-6603 or Florida Toll Free (800) 432-5927.

CITIZENSHIP REQUIREMENTS: International flights to and from the Bahamas requires proof of citizenship, including either a passport, a birth certificate, or a voters registration I.D. card.

RESPONSIBILITIES: Pompano Airways will not be responsible for damages resulting from the failure of flights to depart or arrive at times stated in this timetable, nor for errors herein, nor for failure to make connections with planes of other lines or of this Company. Schedule subject to change without notice. Schedules shown are based on expected flying times. Because weather and other factors may affect operating conditions, departures and arrivals cannot be guaranteed. In all operating conditions the maximum attention will be given to safety.
