NOW TO DALLAS LOVE FIELD

Skyways is the only airline to provide service to and from Fayetteville, Fort Smith, Little Rock and Dallas Love Field. Now you can take off and land IN Dallas, not NEAR Dallas. Convenient commuter schedules allow you to arrive or depart morning, noon and night. And you'll be flying the newest addition to Skyways' fleet—the Fairchild-Swearingen METRO II turbo prop aircraft.

The METRO II is America's only airliner built from the ground up specifically for commuter service. The fully-pressurized cabin allows METRO II to whisk its passengers and crew above the weather at cruising speeds of 300 miles per hour. Every seat is a window seat, and the interior is luxuriously appointed. Dual air cycle cooling and special acoustical sound-proofing are added touches of comfort you'll find when you fly Skyways METRO II between Dallas Love Field, Fayetteville, Fort Smith and Little Rock.
