Skyways Travel Information

RESERVATIONS—Advance reservations are recommended. For information and reservations on Skyways or connecting flights on other airlines, call Skyways or your travel agent. For your convenience, Skyways' reservations numbers are listed in this timetable and our offices maintain schedules of other airlines and will be glad to assist you in planning your entire trip.

CREDIT CARDS—You can use American Express, Master Charge, VISA and the Universal Air Travel Plan Card to pay for your Skyways travel.

CHECK-IN FOR FLIGHTS—Ticketed passengers should be at the airport departure gate 15 minutes before scheduled flight time. Reservations may be cancelled if a passenger has not checked in at the departure gate 10 minutes before scheduled departure time.

SECURITY—Where security inspection of passengers and their hand-carried items is required, you should proceed through security inspection at least 20 minutes before scheduled flight time.

SCHEDULES—The Skyways schedules in this timetable are based on normal flying times. In the event of weather or other delays, we will work to minimize any inconvenience to you and will assist you in any way we can to get you to your destination.

CONNECTIONS—At least 20 to 50 minutes are usually required to make flight connections at major airports. If you miss a connection for any reason, check with any Skyways customer service agent at our airport ticket counter and we will be happy to help you find an alternate way to complete your trip.

EQUIPMENT—Skyways operates modern turboprop twin-engine commuter aircraft. Flight numbers 100-199 are Beech 99 aircraft with a seating capacity of up to 15 passengers. Flight numbers 400-499 are Fairchild/ Swearingen Metro 2 aircraft with seating capacity of up to 19 passengers.

BAGGAGE—The free baggage allowance on Skyways flights is two standard size suitcases and one carry-on piece (such as a briefcase or light garment bag). Additional baggage will be charged at $4.00 per piece. Fragile or perishable items are carried at your own risk. Maximum baggage liability is $250 per passenger.

HAZARDOUS MATERIALS—For safety reasons, articles such as flammable liquids, corrosives, compressed gas or matches should not be placed in baggage. Federal Aviation regulations limit the amount of compressed gas in aerosol cans, such as hairspray, shaving cream and deodorant, to a total of 32 ounces per passenger, with a maximum of 16 ounces per container.

RESPONSIBILITY OF SKYWAYS—Skyways will aim to maintain a high standard of service and the highest standards of safety in serving our customers. Skyways will not be responsible for damages resulting from failure to depart or arrive at times stated in this timetable, nor for failure to make connections with other flights. Skyways will maintain the right to cancel flights or reservations whenever this is deemed advisable or necessary for safety, weather, or other reasons. Schedules and fares are subject to change without notice.

PLEASE DON'T BE A "NO-SHOW"

If you're unable to use your Skyways reservation, please let us know. When your plans change or you decide to travel by some other means, we welcome a telephone call so we can make a confirmed seat available for someone else to travel. The no-show percentage approaches 30 percent on Skyway's peak-period flights. Often many of our customers who need confirmed seats cannot be accommodated because of reserved space that will not be used. So please call any Skyways reservations number and let us know. You'll be helping your fellow travelers and you'll be helping Skyways to serve you better.
