ADDITIONAL INFORMATION

HAZARDOUS MATERIALS & FIREARMS: For your safety we will not carry on passenger flights the following: compressed gases or corrosives, such as acids and wet batteries; explosives, such as fireworks and munitions; flammables, such as gasoline, matches and lighter fuels; poisons; magnetic and radioactive materials and all other items restricted by government regulations.

CHILDREN'S FARE—Children under the age of 12 years fly for 25% off the regular fare when accompanied by an adult. Children under two years of age fly free when carried on the lap of an accompanying adult.

FREQUENT FLIER PROGRAM—Ask our ticket agents about our transferable Frequent Flier program. We want to reward you for your continued support by saving you money.

CHARTERS—We offer charter flights to remote areas of Southeast Alaska or western Canada for camping, fishing, hunting, photography, or recreational visits to Forest Service Cabin. For groups, large freight loads or customized flight times, it may be smarter to charter.

FLIGHTSEEING ADVENTURES—Whether you or your visiting friends or relatives want to experience glaciers and icefields, or sample our abundant wildlife, we can assist you in designing the perfect trip. Bring plenty of film and your sunglasses!

- **Juneau Icefields**
- **Glacier Bay National Park**
- **Tracy Arm Glacier Fjord**

FREIGHT—We provide express freight delivery for your personal and business needs. We gladly accept C.O.D. orders. A special rate of $5.00 carries any envelope under 2 pounds anywhere on our scheduled system.

WINGS OF ALASKA will not be responsible for damages resulting from the failure of flights to operate as stated in this time table, nor for failure to make connections of passenger or baggage to or from other airlines. All flights are subject to change at any time due to weather, daylight, mechanical problems, or other reasons.

OUR GOAL—Wings of Alaska will continue to maintain the high standards of on-time flights, courteous and professional service and adherence to the highest standards of aircraft maintenance. We are proud to be the recipient of Alaska Air Carriers' Annual Safety Award for the past five years.
