(907) 790-3100

ADDITIONAL INFORMATION

FREQUENT FLIER PROGRAM-Ask our ticket agents about our transferable Frequent Flier program. We want to reward you for your continued support by saving you money.

CHILDREN'S FARE-Children under the age of 12 years fly for 25% off the regular fare when accompanied by an adult. Special arrangements must be made for children under 12 to travel alone.

CHARTERS-We offer charter flights to remote areas of Southeast Alaska or western Canada for camping, fishing, photography, or recreational visits to Forest Service cabins. For groups, large freight loads or customized flight times, it may be smarter to charter.

FLIGHTSEEING ADVENTURES-Whether you or your visiting friends or relatives want to experience glaciers and icefields, or sample our abundant wildlife, we can assist you in designing the perfect trip. Bring plenty of film and your sunglasses!

- **Juneau Icefield and surrounding Glaciers**
- **Glacier Bay National Park**
- **Tracy Arm Glacier Fjord**
- **Taku Glacier Lodge Wilderness Salmon Bake**

FREIGHT-We provide express freight delivery for your personal and business needs. We gladly except C.O.D. orders.

HAZARDOUS MATERIALS & FIREARMS-For your safety we will not carry on passenger flights the following: compressed gases or corrosives, such as acids and wet batteries; explosives, such as fireworks and munitions; flammables, such as gasoline, matches and lighter fuels; poisons; magnetic and radioactive materials and all other items restricted by government regulations.

FLIGHT DELAYS-Wings of Alaska will not be responsible for damages resulting from the failure of flights to operate as stated in this time table, nor for failure to make connections of passenger or baggage to or from other airlines. All flights are subject to change at any time due to weather, daylight, mechanical problems, or other reasons.

OUR GOAL-Wings of Alaska will strive to provide the highest quality of service. This means on-time flights, courteous and professional service, and excellent aircraft maintenance. Our commitment to safety has made Wings a repeated recipient of the Alaska Air Carriers Annual Safety Award.
