AIRPORT-TO-AIRPORT PACKAGE SERVICE

World Airways also offers a small package service (up to 90 inches length + width + height) for as low as \$10 when delivered to the departing airport. Packages weighing up to 70 pounds are insured for \$50 liability and must be dropped off 1 hour prior to check-in and you must allow up to 1 hour for pick-up at the arriving airport. Costs are (in either direction): \$10 Oakland and Los Angeles, \$25 Oakland/Los Angeles and Honolulu and Oakland/Los Angeles and Newark/Baltimore, and \$50 Newark/Baltimore and Honolulu. See World's airport ticket agent for further information.

CANCELLING OR CHANGING YOUR PLANS

You may cancel your flight up to seven days prior to the flight without penalty. Cancellations made within seven days of the originally scheduled flight or failure to use the ticket for such flight will result in retention by World of a fee of \$50 (\$15 between Oakland and Los Angeles) from the purchase price of the ticket, unless World is furnished proof (acceptable to it as provided in its tariff) of illness or death of the passenger or a member of the passenger's immediate family. Refunds may be obtained by writing to:

WORLD AIRWAYS, INC.
REVENUE ACCOUNTING
REFUND SECTION
P.O. BOX 2330
OAKLAND, CA 94614

In the case of a credit card purchase, the amount of refund will be credited to the purchaser's account.

BAGGAGE AND PETS

You may check two pieces of baggage per person, each up to sixty-two inches (height + width + breadth) and seventy pounds in weight, and you may carry on board one piece of luggage that will fit under the seat in front of you. You may check in extra or overweight bag, sea bag or items of sporting equipment (i.e., skis, bicycle, golf clubs) may be substituted for one of the two pieces of luggage.

Pets may be shipped as cargo, in suitable containers supplied by the passenger, for a charge of \$25. Animals are accepted for shipment only if advance arrangements are made with World and cannot be considered as one of the allotted pieces of baggage. Animals must be accompanied by valid health and rabies vaccination certificates and because many areas have strict quarantine laws, it is advisable to check with local authorities before planning to transport your pet. Unaccompanied pets may be shipped at a charge of \$50 under the same conditions as stated above.
