RESERVATIONS/GUARANTEED AIR FARE

When a reservation for space is confirmed by an agent of the company, it is subject to the purchase of a ticket by the time limit agreed upon by the passenger and World, or if there is no agreement, at the minimum time before flight departure listed in World's tariff rules. Once the reservation has been confirmed and the ticket purchased, World guarantees that if fares increase, there will be no additional charges, provided the passenger does not voluntarily change the originating flight on the itinerary. Should there be a decrease in fares after ticket purchase, the passenger will be eligible for a refund.

CHECK-IN

Passengers are requested to present themselves at the passenger check-in counter for check-in at least thirty minutes prior to flight departure for domestic flights and one hour prior to flight departure for international flights. Passengers must present themselves at the gate for boarding at least ten minutes prior to departure to insure that their space on the aircraft will be held for them.

IN-FLIGHT SERVICE

Liquor is available for purchase by Coach/Economy passengers and complimentary to First Class passengers. Soft drinks, milk, and coffee are available free of charge to all passengers. Music and first run motion pictures are available on selected World flights; there is a \$2.50 charge for headset rental for Coach/Economy passengers, and complimentary for First Class passengers. No smoking areas are provided on every aircraft and passengers seated in these areas must adhere to the regulation against smoking. Cigar and pipe smoking is not permitted in any area of the aircraft.

BAGGAGE/CHECKED AND CARRY-ON

All luggage or packages carried in the cabin or checked in the cargo space of aircraft are considered baggage. Baggage carried on board must not exceed 8 x 16 x 23 inches and must be used for carry-on baggage, however, luggage placed in these compartments is not accessible during the flight. Umbrellas, coats, pocketbooks, reading material, infant food, small cameras and binoculars are not considered as baggage.

INTERNATIONAL TRAVEL

An international trip may require the need for valid travel documents for which passengers are responsible. Any question concerning required documents may be resolved by contacting the appropriate consulate or embassy.

SCHEDULES

World reserves the right to cancel or change schedules without notice. Because safety is our first concern and because weather and other factors may affect operating conditions, departure and arrivals cannot be guaranteed.
