These People Express terms are incorporated by reference into your ticket, flight coupon, or receipt and are part of the contract for transportation. You may inspect and/or obtain (free of charge) the full text of the Contract of Carriage. Several of the key terms are described below:

Hazardous Materials: Federal regulations restrict carriage on aircraft of items classified as hazardous materials. Security: For security, all customers and their luggage must be inspected in accordance with the required security program. Customers should proceed through the security inspection point at least 30 minutes prior to departure time. Customers who refuse inspection will be refused transportation.

Aircraft: People Express utilizes Boeing 737 and 727 jets. Service on transcontinental flights and to London utilizes Boeing 747 aircraft.

Overbooking: People Express flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until People Express' Customer Service Manager asks for volunteers willing to give up their reservation in exchange for compensation of the airline's choosing. If there are not enough volunteers the airline will deny boarding to other persons in accordance with its first-come first-served boarding priority. With few exceptions, persons denied boarding involuntarily are entitled to compensation. The complete rules for denied boarding compensation and People Express' boarding priorities are available at all People Express' airport boarding locations.

Waiver/Modification of Terms: No employee or agent of People Express has authority to waive, modify or alter any provisions of the terms and contract of carriage or any applicable fares/charges unless authorized by a corporate officer of People Express.
