Newark Int'l. Airport
Newark, N.J. 07114

THANKS TO PEOPLE EXPRESS, YOU CAN NOW MAKE A RESERVATION WITHOUT SAYING A WORD.

It's called Pick Up & Go™ and to get in touch with it, simply dial **1 (800) 445-9494** and a pre-recorded voice will guide you through your reservation. You don't have to say a word. There's just a few things you have to know:

-  Any seven digit identification number you want (for instance your phone number).
-  The origination and destination airport codes on this page.
-  The month, day and time you wish to travel.

Pick Up & Go will begin by asking you to enter that information by pressing the appropriate key on your telephone. Be sure to end each response with this sign: **#**

Enter the month. January is **1** December is **1** **ABC 2**

Enter the day. The 5th is **JKL 5** the 15th is **1** **JKL 5**

Enter your desired departure hour and A for AM or P for PM. For example, 1:00 PM is entered as 1P: **1** **PRS 7**

If you should run into any confusion, simply use the HELP command by entering ***H:** ***** **GHI 4**

To review your reservation, use the LIST command by entering ***L:** ***** **JKL 5**

To conclude your reservation enter ***X:** ***** **WXY 9**

If you know the system well enough, you can take the Pick Up & Go short cut. Simply enter the information continuously—without waiting for the prompts. Again, be sure to end each response with the # sign: Identification number #, Month #, Date #, Origination Code #, Destination Code #, No. of People #, Time #.

After you've taken the short cut, Pick Up & Go will respond with the available flight numbers.

And, in addition to reservations, Pick Up and Go now offers you flight information. So you'll know exactly what time we're departing and arriving.

Just as easy as it is to make a reservation, that's how easy it is to get where you're going on People Express. Thanks to over 200 flights a day, to 49 cities, all for low unrestricted prices.

If you are making your own flight connections, be sure to leave yourself enough time in Newark. Two hours for international flights, one hour for transcontinental flights and 30 minutes for all other flights.

The air transportation provided by People Express is subject to the general terms and conditions of contract of transportation of People Express. These People Express terms are incorporated by reference into your ticket, flight coupon, or receipt and are part of the contract for transportation. You may inspect and/or obtain (free of charge) the full text of the Contract of Carriage. Several of the key terms are described below:

Liability of People Express: The making of a reservation or the purchase of a ticket does not guarantee transportation on People Express. People Express shall in no event be liable for any direct, indirect, special or consequential damages resulting from the performance of, failure to perform, or delay in performing transportation, or for missed connections or failure to operate according to schedule, or for changing the schedule of any flight whether or not People Express has knowledge that such damages might be incurred.

Reservations: People Express Airlines accepts reservations for all flights approximately 60 days in advance. Local reservation numbers are listed under the city headings in this schedule.

Standby Customers: People Express carries many customers everyday on a standby basis. Customers are cleared for flights to their destination from the standby list on a first-come first-served basis with priority given to connecting customers. Customers desiring that their name be added to the standby list may present themselves at the People Express Check-in counter one hour before the first flight of the day or immediately after the departure of the last flight to their desired destination. We do not wait-list customers over the phone.

Customer Check-in Procedures: People Express request that customers check-in at the counter at least 45 minutes prior to published scheduled departure time to receive a boarding pass. A customer will be considered reserved on a People Express flight if a reservation on such flight has been confirmed by an authorized People Express Reservations Agent and the customer has checked-in at the departure gate at least 10 minutes prior to the published scheduled departure time for domestic flights and 45 minutes prior to the published scheduled departure time for international flights. Failure to meet the check-in time limit will result in cancellation of the customer's reservation.

Refusal to Transport: People Express may refuse to board or transport and may remove any customer for various reasons as set forth in the Contract of Carriage including refusal to produce identification or to demonstrate financial means to pay for the transportation, to permit search of his person or property for weapons, explosives, when such refusal is necessary for his comfort and safety, or the comfort and safety of other customers, the crew or the aircraft or when said refusal is necessary to comply with a Government request, order or rule, or is necessary or advisable by reason of weather or other conditions out of the carrier's control.

Failure to Operate as Scheduled: Carrier assumes no liability for cancelled or delayed, diverted or rerouted flights, including misconnections.

Onboard Ticketing: People Express employs an onboard ticketing system for payment of all fares. Fares will be collected while the flight is in progress. Customers will be ticketed to their final destination on the first People Express flight of their itinerary. Your professional travel agent may also issue tickets on People Express.

Hazardous Materials: Federal regulations restrict carriage on aircraft of items classified as hazardous materials. These materials include, but are not limited to, flammable gases; liquid and solid, non-flammable compressed gas, explosives, poison, corrosives, oxidizing agents, radioactive material, etiologic agents, and magnetized materials. People Express will not transport firearms or ammunition.

Meals appropriate to the time of day are available for purchase on flights to San Francisco, Los Angeles, London and Brussels.

No Smoking: No smoking sections are provided on all People Express flights. Customers holding confirmed reservations will, on request, be given a non-smoking seat as required by federal regulations.

Security: For security, all customers and their luggage must be inspected in accordance with the required security program. Customers should proceed through the security inspection point at least 30 minutes prior to departure time. Customers who refuse inspection will be refused transportation.

Aircraft: People Express utilizes Boeing 737 and 727 jets. Service on transcontinental and most trans-atlantic flights utilizes Boeing 747 aircraft.

Overbooking: People Express flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until People Express' Customer Service Manager asks for volunteers willing to give up their reservation in exchange for compensation of the airline's choosing. If there are not enough volunteers the airline will deny boarding to other persons in accordance with its first-come first-served boarding priority. With few exceptions, persons denied boarding involuntarily are entitled to compensation. The complete rules for denied boarding compensation and People Express' boarding priorities are available at all People Express' airport boarding locations.

Waiver/Modification of Terms: No employee or agent of People Express has authority to waive, modify or alter any provisions of the terms and contract of carriage or any applicable fares/charges unless authorized by a corporate officer of People Express.

People Express welcomes your comments about our service. Please direct your comments to: People Express Airlines, Inc., Consumer Affairs, Newark Int'l. Airport, Newark, New Jersey 07114.
