These People Express terms are incorporated by reference into your ticket, flight coupon, or receipt and are part of the contract for transportation. You may inspect and/or obtain (free of charge) the full text of the Contract of Carriage. Several of the key terms are described below:

Liability of People Express: The making of a reservation or the purchase of a ticket does not guarantee transportation on People Express. People Express shall in no event be liable for any direct, indirect, special or consequential damages resulting from the performance of, failure to perform, or delay in performing transportation, or for missed connections or failure to operate according to schedule, or for changing the schedule of any flight whether or not People Express has knowledge that such damages might be incurred.

Standby Customers: People Express carries many customers everyday on a standby basis. Customers are cleared for flights to their destination from the standby list on a first-come first-served basis with priority given to connecting customers. Customers desiring that their name be added to the standby list may present themselves at the People Express Check-in counter one hour before the first flight of the day or immediately after the departure of the last flight to their desired destination. We do not wait-list customers over the phone.

Customer Check-in Procedures: People Express request that customers check-in at the counter at least 45 minutes prior to published scheduled departure time to receive a boarding pass. A customer will be considered reserved on a People Express flight if a reservation on such flight has been confirmed by an authorized People Express Reservations Agent and the customer has checked-in at the departure gate at least 10 minutes prior to the published scheduled departure time for domestic flights and 45 minutes prior to the published scheduled departure time for international flights. Failure to meet the check-in time limit will result in cancellation of the customer's reservation.

Refusal to Transport: People Express may refuse to board or transport and may remove any customer for various reasons as set forth in the Contract of Carriage including refusal to produce identification or to demonstrate financial means to pay for the transportation, to permit search of his person or property for weapons, explosives, when such refusal is necessary for his comfort and safety, or the comfort and safety of other customers, the crew or the aircraft or when said refusal is necessary to comply with a Government request, order or rule, or is necessary or advisable by reason of weather or other conditions out of the carrier's control.

Aircraft: People Express utilizes Boeing 737 and 727 jets. Service on trans-atlantic and most transcontinental flights utilizes Boeing 747 aircraft.

Overbooking: People Express flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until People Express' Customer Service Manager asks for volunteers willing to give up their reservation in exchange for compensation of the airline's choosing. If there are not enough volunteers the airline will deny boarding to other persons in accordance with its first-come first-served boarding priority. With few exceptions, persons denied boarding involuntarily are entitled to compensation. The complete rules for denied boarding compensation and People Express' boarding priorities are available at all People Express' airport boarding locations.
