THESE EASY STEPS WILL
MAKE YOUR TRIP ON PIEDMONT
AIRLINES MORE PLEASANT

1. Make your reservations well in advance to secure the space you want.
2. Purchase your tickets early—at city ticket offices when possible—this saves you time at the airport.
3. Please call us if you have planned stop-over in your itinerary—to enable us to call you if necessary.
4. Cancel your reservations early if your plans change—so as to make your reservations available for someone else.

PIEDMONT AIRLINES requests that passengers check in AT THE AIRPORT TICKET OFFICE at least 20 MINUTES before scheduled departure time. Tariff regulations require cancellation of the reservation of any passenger who fails to present himself for check-in AT THE AIRPORT TICKET OFFICE at least 10 MINUTES before the scheduled departure time of the flight on which reservation was made.

SCHEDULES SHOW THE TIMES at which planes may be expected to arrive at or depart from stations, and to connect with other planes, but PIEDMONT AIRLINES will not be responsible for consequences arising from delays or from errors in the printed schedule. The times shown are subject to change without notice.

Route of the Pacemakers

To Give You Better Service

Piedmont schedules are based upon normal wind conditions, direct routings and prompt landing authorization. Thus we try to serve you in the most expeditious manner. When weather conditions require instrument flight, the delay you may experience in arriving at your destination will usually be due to a wait for traffic clearance, the assignment of a circuitous route, awaiting clearance to execute an instrument approach, or a combination of these factors.
