Check in at the ticket counter
at least 20 minutes
before your flight! Your fellow
passengers will appreciate it, this
helps to keep your flight on time.

1. Make your reservations well in advance to secure the space you want.
2. Purchase your tickets early—at city ticket offices when possible—this saves you time at the airport.
3. Please call us if you have planned stop-over in your itinerary—to enable us to call you if necessary.
4. Cancel your reservations early if your plans change—so as to make your reservations available for someone else.

SCHEDULES SHOW THE TIMES at which planes may be expected to arrive at or depart from stations, and to connect with other planes, but PIEDMONT AIRLINES will not be responsible for consequences arising from delays or from errors in the printed schedule. To Give You Better Service

Piedmont schedules are based upon normal wind conditions, direct routings and prompt landing authorization. Thus we try to serve you in the most expeditious manner. When weather conditions require instrument flight, the delay you may experience in arriving at your destination will usually be due to a wait for traffic clearance, the assignment of a circuitous route, awaiting clearance to execute an instrument approach, or a combination of these factors.

SAVE $\frac{1}{3}$ BY USING PIEDMONT'S NEW 7-DAY A WEEK FAMILY PLAN

Take your wife, take one child or take them all. You save $\frac{1}{3}$ on each family member when you use the new Piedmont - 7 Family Plan. When Dad pays full fare, his wife, and each child 12 or over and under 22, pay only two-thirds fare — Now effective every day of the week!
