The Route of the Pacemakers

THESE EASY STEPS WILL
MAKE YOUR TRIP ON PIEDMONT
AIRLINES MORE PLEASANT

1. Make your reservations well in advance to secure the space you want.
2. Purchase your tickets early—at city ticket offices when possible—this saves you time at the airport.
3. Please call us if you have planned stop-over in your itinerary—to enable us to call you if necessary.
4. Cancel your reservations early if your plans change—so as to make your reservations available for someone else.

PIEDMONT AIRLINES requests that passengers check in AT THE AIRPORT TICKET OFFICE at least 20 MINUTES before scheduled departure time. Tariff regulations require cancellation of the reservation of any passenger who fails to present himself for check-in AT THE AIRPORT TICKET OFFICE at least 10 MINUTES before the scheduled departure time of the flight on which reservation was made.

SCHEDULES SHOW THE TIMES at which planes may be expected to arrive at or depart from stations, and to connect with other planes, but PIEDMONT AIRLINES will not be responsible for consequences arising from delays or from errors in the printed schedule. The times shown are subject to change without notice.

**PX Ask about the Piedmont
X-cursion Plan!
Save 75%
on return flight on
weekend round trips!**

Fares shown are via Piedmont Airlines direct routes. They are for information only and subject to change without notice. Consult Piedmont Airlines Agent for permissible indirect routing. Official Piedmont Airlines fares are published in tariffs which are on file with the Civil Aeronautics Board and which are open for public inspection at any Piedmont Airlines office.

To Give You Better Service

Piedmont schedules are based upon normal wind conditions, direct routings and prompt landing authorization. Thus we try to serve you in the most expeditious manner. When weather conditions require instrument flight, the delay you may experience in arriving at your destination will usually be due to a wait for traffic clearance, the assignment of a circuitous route, awaiting clearance to execute an instrument approach, or a combination of these factors.

**SAVE $\frac{1}{3}$ BY USING PIEDMONT'S NEW
7-DAY A WEEK FAMILY PLAN**

Take your wife, take one child or take them all. You save 1/3 on each family member when you use the new Piedmont - 7 Family Plan. When Dad pays full fare, his wife, and each child 12 or over and under 22, pay only two-thirds fare — Now effective every day of the week!
