**Got a small parcel
you want to move
quick?**

**NEW! PSA
INSTA-PAC**

**(over-the-counter
cargo).**

Got a small parcel that you can't or don't want to carry on board with you? Like computer equipment, medical supplies.

Got a package that has to get to the airport in a hurry, to be picked up by someone else? Like blueprints, legal documents, film.

Left something behind? Like skis, camera, golf clubs, car keys.

Send them all via PSA's new Insta-Pac. It's the most convenient way yet to get small packages from airport to airport — any of the 12 airports that PSA serves. Leave your parcel at the airport ticket counter 30 minutes before any PSA flight. You can pick it up at the other end within 30 minutes after flight arrives. That's all there is to it.

Cost: \$12 per shipment, 50 lbs. or less. Overall dimensions cannot exceed 90" (width + length + height).

Charge it on your PSA credit card, or if you're already a freight customer, on your regular account. Or on any major credit card.

PSA gives you (and your packages) a lift.
