NEW GATE TIMETABLE

Here is TRANS-TEXAS' Complete System Timetable in new "Quick Reference" form. TTA's simplified timetable makes it easier than ever for you to use TRANS-TEXAS AIRWAYS.

FROM WHAT CITY ARE YOU DEPARTING?

1. Departure cities are in alphabetical order. On-line Connections are easily read by following the arrow via the transfer point.
2. Under your departure city you will find an alphabetical listing of destinations. The service shown under your destination city includes all flights from your point of departure to your destination.

CONNECTING TIMES . . .

Normally 30 minutes is required in most cities for connections from one flight to another. However, only 15 minutes is required when you are connecting to another TTA flight, therefore: the actual time of a connection may vary depending upon the city where the connection is made and the flight from which you are connecting.

BAGGAGE LIABILITY/LIMITATIONS

Any liability for loss of, or damage to, or delay in delivery of any personal property, including baggage, whether or not delivered into the custody of the Company, is limited to actual value, not to exceed \$100 for each ticket, unless higher value is declared and additional charges (10¢ for each \$100 or fraction thereof) are paid at time of presenting such property for transportation, when checking in for flight, or when checking such property for temporary storage.

CHECK-IN TIME

Ticketed Passengers are requested to be at the airport ticket counter AT LEAST 20 MINUTES before gate time. Reservations may be cancelled and re-sold if the passenger has not presented himself for check-in at least 10 minutes before gate time.

RECONFIRM YOUR RESERVATIONS

"Reconfirmation" is necessary when you travel to another city and remain overnight or longer. To reconfirm, contact the airline on which you will leave from the stop-over point and advise them of your firm intention to use the seat reserved for your continuing or return trip. Unless reservations are reconfirmed, they will be cancelled at 6 hours before gate time. Reconfirmation is not required for stop-overs of less than 12 hours.

Youth fares

AT HALF PRICE!

Great for students headed home for the weekend or off on a holiday trip . . . and just the ticket for members of the armed forces on furlough! Fly Trans-Texas' fast, convenient service in relaxing comfort . . . arrive refreshed and ready to go . . . and at just *half* the normal First Class fare! So for more fun wherever you're going . . . save travel-time and money . . . fly Trans-Texas Airways' "Youth Fare Plan."

Here's how:

1. Anyone age 12 to 22 any day of the week anywhere on TTA.
2. Make your reservations no more than three hours prior to scheduled departure time of the flight on which you are to travel, and purchase your ticket!
3. For complete details—call TTA or your travel agent.

CHARTER SERVICE

Is your group planning to take a trip—or how about an inter-city club meeting? You may find it less expensive and more convenient to charter a TTA airplane. Trans-Texas Airways flies charter groups anywhere in the continental United States and Canada. You may leave when you want and return when you want.

TTA has available 23-passenger DC-3's or 40-passenger Con-voirs. For more information, contact any Trans-Texas office or George Barbier, Manager of Schedules and Charters, Trans-Texas Airways, International Airport, Houston 17, Texas.

TTA NO-DEPOSIT TRAVEL CARD

It's even easier to fly Trans-Texas Airways with a No-Deposit TTA Travel Card. That's right, there is no deposit required on a TTA Travel Card. A Travel Card is handy because it saves ticketing time.

A TTA Travel Card also provides accurate travel records for tax purposes. And it serves as credit identification away from home.

Use it for business travel . . . family vacations or for your son or daughter who fly to school on TTA's half fare Youth Plan. For your convenient TTA Travel Card, write or call the Vice President of Sales, Trans-Texas Airways, Houston International Airport. With your TTA Travel Card you'll really see how easy it is to fly Trans-Texas Airways . . . North . . . South . . . East and West . . . to over 60 cities in Louisiana, Arkansas, Mississippi, Tennessee and Texas.
