General Passenger Information

Agriculture Inspection, Hawaii-Mainland — Admissibility of plant products to the Mainland from Hawaii should be determined prior to check-in. Such products and baggage are subject to pre-departure agriculture inspection at the Honolulu and Hilo Airports. Please have baggage ready for examination as requested. For detailed information phone: Plant Protection and Quarantine, APHIS, USDA, Honolulu 836-1491 or 836-1551; Hilo 935-1049.

Alcoholic Beverages — Federal Aviation Agency regulations provide that no person may drink alcoholic beverages aboard an aircraft unless they have been served by the airline and no airline may serve such beverages to any person who appears to be intoxicated.

BAGGAGE

Baggage Liability — Passenger name identification must be placed on the outside of all checked baggage. Baggage identification labels are available from United at no cost. Liability for baggage between points in the U.S. will not exceed \$750.00 unless you declare a higher valuation and pay a slight extra charge. Excess valuation cannot be declared for certain checked valuable items such as jewelry, negotiable instruments, currency and antiques. For international trips, United's liability will not exceed \$9.07 per pound for checked baggage and \$400 per passenger for unchecked baggage unless you declare a higher value and pay an extra charge.

— Baggage in excess of the free baggage allowance, up to and including four pieces, will be charged a standard excess fee of \$7.00. Excess baggage exceeding these four pieces will be charged four times the applicable excess baggage rate. Overweight or oversize baggage is subject to special charges as are the following special items listed below. These items are subject to the special charges regardless of the total baggage carried.

Bicycles—\$14.00 Scuba Gear—\$7.00 Surfboards—\$14.00
Household Pets—\$21.00 per container

Free Baggage Allowance — (Per passenger) 1 piece of baggage with linear dimensions (length + height + width) not exceeding 62 inches, plus 1 piece of baggage with linear dimensions not exceeding 55 inches. One or more additional pieces, totaling no more than 45 inches may be carried on board provided it fits beneath the seat or in an approved carry-on compartment. Approximate dimensions not to exceed 9 x 13 x 23. In addition to size, each piece must not exceed 70 pounds. Allowances for international travel vary by country. Check with your travel agent or United Reservations for this information.

Checks — United accepts checks for air transportation when presented with one of the following major credit cards: United Travel Card, Air Travel Plan (ATP), American Express, VISA, Carte Blanche, Diners Club, Master Charge, and a permanent driver's license.

Checked Baggage — Car keys, pills, critical medicine or other items necessary for your health or well-being should remain in carry-on luggage whenever possible, as baggage, checked prior to departure, is generally unavailable again until claimed at your destination.

Check-in Time — Reservations are subject to cancellation if you are not available for boarding at least five minutes prior to scheduled departure of your United flight.

Class of Service — On United, you can fly First Class, Coach, or — on certain routes — Economy. First Class gives you spacious seating comfort and — time permitting — our most luxurious personalized service: complimentary cocktails, gourmet dining, and a variety of other amenities. Coach seating is comfortable but more compact and meals are hot, delicious, satisfying. Economy offers the same comfortable seating as Coach, without meals and including coffee, tea and soft drinks. Liquors, wines, etc. are available at a nominal charge in both Coach and Economy. All these services include the friendly hospitality of United's dedicated employees.

Credit Cards — You can easily arrange credit with our Personal Credit Card Plan. United also accepts American Express, Carte Blanche, Diners Club, Empire, Interbank, Mastercharge, Walker Bankard, Universal Air Travel cards and Visa cards. Consult United or your travel agent for details.

Denied Boarding Compensation Plan — Compensation will be paid if the flight for which you have a confirmed reservation is unable to accommodate you and departs without you. Subject to the exceptions prescribed in the tariff on file, compensation will be in amounts from \$37.50 to \$400.00 depending upon conditions of removal and the ticket value.

Electronic Devices — Federal Aviation regulations prohibit in flight operation of electronic devices other than portable voice recorders or electronic calculators, electric watches, hearing aids, heart pacemakers and electric shavers. Other electronic devices (including AM and FM broadcast receivers) may interfere with the navigation or communications systems of the aircraft.

Responsibility for Departures, Arrivals, Connections — United Airlines will not be responsible for damages resulting from the failure to depart or arrive at times stated in this timetable, nor for errors herein, nor for failure to make connections with planes of other lines or of this Company. Schedules subject to change without notice. Safety is our primary consideration. Schedule times published include allowances for variations in wind direction and velocity, planned ground movement of the aircraft between runway and gates and similar factors to assure gate arrivals within 15 minutes of published schedule more than 75% on the time. Schedules do not allow for abnormal air traffic and ground delays which cannot be forecast in advance.

Restricted Articles — Corrosive liquids, flammable substances, such as matches and lighter fluid, compressed gas or any hazardous material **MAY NOT BE CARRIED IN BAGGAGE.**

How important can a small business like Pollard Tool & Machine Company be to the nation's largest airline?

Important. Very important.

United Airlines relies on a number of minority-owned businesses like Pollard Tool & Machine Company to meet our needs on a competitive basis.

Last year, our purchases from minority-owned businesses totaled well over 8 million dollars. For services that ranged from aircraft parts to market research. This year we intend to surpass that figure.

When we first went into business over 50 years ago, we needed all the support we could get. And it was companies not unlike Pollard Tool & Machine that helped the friendly skies get off the ground.

Today, one of United's priority corporate goals is to continue helping minority businesses realize their potential. Because we're all in this together. We built the largest airline in the free world. Around you.

"It's a pleasure doing business with you."

United and the people of Hawaii invite you to learn the true meaning of "aloha" on a vacation in the Islands.

On your way to Hawaii and back, you'll enjoy United's Royal Hawaiian Service. The exclusive service that brings exotic Polynesian foods and tropical drinks of the Islands right on board. All served by people who know the Islands like nobody else. The people of the friendly skies.
