General Passenger Information

Agriculture Inspection, Hawaii-Mainland — If you're going to carry any plant products to the Mainland from Hawaii, be sure they're admissable before you check in. Your baggage is subject to pre-departure inspection at Honolulu, Hilo and Kahului. For detailed information phone: Plant Protection and Quarantine, APHIS, USDA, Honolulu 836-1491 or 836-1551; Hilo 935-1049.

Alcoholic Beverages — Federal Aviation Agency regulations provide that no person may drink beverages aboard an aircraft unless served by the airline. No airline may serve alcohol to any person who appears to be intoxicated or under legal drinking age.

BAGGAGE

Restricted Articles — Corrosive liquids, flammable substances, such as MATCHES and lighter fluid, compressed gas or any hazardous material **MAY NOT BE CARRIED IN BAGGAGE.**

Checked Baggage — Passenger name identification must be placed on the outside of all checked baggage. Baggage identification labels are available from United at no cost. Car keys, pills, critical medicine or other items necessary for your health or well-being should remain in carry-on luggage whenever possible, as baggage, checked prior to departure, is generally unavailable until claimed at your destination.

Baggage Liability — Liability for baggage between points in the U.S. will not exceed \$750.00 unless you declare a higher valuation and pay a slight extra charge. Excess valuation cannot be declared for certain checked valuable items such as jewelry, negotiable instruments, currency and antiques. For international trips, United's liability will not exceed \$9.07 per pound for checked baggage and \$400 per passenger for unchecked baggage unless you declare a higher value and pay an extra charge.

Excess Baggage — Baggage in excess of the free baggage allowance, up to and including four pieces, will be charged a standard excess fee of \$10.00. Excess baggage exceeding these four pieces will be charged five times the applicable excess baggage rate. Overweight or oversize baggage is subject to special charges as are the following special items listed below. These items are subject to the special charges regardless of the total baggage carried.

Bicycles—\$20.00 Scuba Gear—\$10.00 Surfboards—\$20.00
Household Pets—\$24.00 per carry-on container or checked container

Excess baggage charged for international travel vary by country. Check with your travel agent or United Reservations for this information.

Free Baggage Allowance — (Per passenger) 1 piece of baggage with linear dimensions (length + height + width) not exceeding 62 inches, plus 1 piece of baggage with linear dimensions not exceeding 55 inches. One additional piece may be carried on board provided it fits beneath the seat. Approximate dimensions not to exceed 9 x 14 x 22. In addition to size, each piece must not exceed 70 pounds. Allowances for international travel vary by country. Check with your travel agent or United Reservations for this information.

Checks — United accepts checks for air transportation when presented with one of the following major credit cards: United Travel Card, Air Travel Plan (ATP), American Express, VISA, Carte Blanche, Diners Club, MasterCard, and a permanent driver's license.

Check-in Time — Reservations are subject to cancellation if you aren't available for boarding—at the loading gate—at least 10 minutes before scheduled departure between U.S./Canadian points; at least 20 minutes to/from Mexico; at least 30 minutes to/from Tokyo/Hong Kong/other international points. Allow additional time if you haven't purchased your ticket.

Class of Service — On most of United's domestic flights there is a choice of First Class or Coach. First Class offers spacious seating comfort and—time permitting—our most luxurious personalized service: complimentary cocktails, gourmet dining, and a variety of other amenities. Coach seating is comfortable but less spacious and meals are also complimentary. There is a nominal fee for cocktails and movie/stereo headsets. On our Royal Pacific flights to the Orient we offer First, Business and Economy Classes of service. First Class is truly luxurious with adjustable, fully-reclining sleeper seats and delicious full-course meals. Business Class is fully comparable to domestic First-Class service while Economy is much the same as domestic Coach Class. All three offer various in-flight amenities and entertainment to help pass the time en route swiftly and enjoyably.

Credit Cards — You can easily arrange credit with our Personal Credit Card Plan. United also accepts American Express, Carte Blanche, Diners Club, Empire, Interbank, MasterCard, Walker Bankard, Universal Air Travel cards and VISA cards. Consult United or your travel agent for details.

Denied Boarding Compensation Plan — You may be entitled to compensation in the amount of \$37.50 to \$400 if we are unable to accommodate you on a flight for which you have a confirmed reservation and which departs without you. This is subject to exceptions provided in the tariff on file; depends upon conditions of removal and value of your ticket.

Electronic Devices — AM and FM transmitters and receivers, portable telephones, remote control toys and similar electronic devices may interfere with aircraft communications and navigations systems. Operating them in flight is prohibited by the Federal Aviation Agency. Portable dictation recorders, cassette players, electronic calculators/games/watches, hearing aids, heart pacemakers and electric shavers are permitted, however, and may be operated during your flight.

Responsibility for Departures, Arrivals, Connections — United Airlines will not be responsible for damages resulting from the failure to depart or arrive at times stated in this timetable, nor for errors herein, nor for failure to make connections with planes of other lines or of this Company. Schedules subject to change without notice. Safety is our primary consideration. Schedule times published include allowances for variations in wind direction and velocity, planned ground movement of the aircraft between runway and gates and similar factors to assure gate arrivals within 15 minutes of published schedule more than 75% of the time. Schedules do not allow for abnormal air traffic and ground delays which cannot be forecast in advance.

DENVER

United's Passenger Terminal at Stapleton International Airport

When we say, "United's high on Denver!" . . . we really mean it.

Because the mile-high city is one of the most important hubs in United's expanding route structure. As Denver's largest airline, we serve millions of travelers each year with more flights, to more major cities, than anyone.

This issue of our system timetable lists more than 150 nonstop flights — between Denver and the East Coast, the Midwest; the Great Lakes, the Plains, the Southeast, and the West Coast. United also serves several important cities in the Southwest with nonstop service to Austin, Dallas/Ft. Worth, El Paso, Houston, San Antonio, Phoenix, Tucson, and Albuquerque.

But there's more to our friendly skies than excellent schedules and convenient connections. United also offers a wide range of services, fares, and appropriate amenities: First Class and Coach on most flights. Royal Hawaiian to Honolulu. Sunbirds to Florida. Movies and audio on longer flights. And excellent food, appropriate to the length of the trip and the time of day, prepared in United's own Denver flight kitchen.

When you fly the Friendly Skies you also enjoy the added advantages of advance round-trip check-in/seat assignment and most importantly — the services of experienced airline professionals, fully committed to making your flight everything it should be, from the time you call for a reservation to the time you claim your baggage at destination.

A handy map of United's Denver passenger terminal appears overleaf. Whether you're flying there to close a business deal — or just passing through — it may help to show where facilities are located. And we want you to know that all of United's people in Denver are looking forward to serving you, whenever you travel our way.

CHICAGO

United's Passenger Terminal at O'Hare International Airport

Chicago is United's home town and O'Hare International Airport, the busiest airport in the world, is the largest hub on the United Airlines route system. Over 30 million people a year depart on over 1,300 daily flights for destinations world-wide on United and the other carriers serving O'Hare.

United flies nonstop from O'Hare to more cities West, East, Southwest and Southeast than any other carrier. In addition to flying to Cancun and Cozumel as well as Vancouver and Toronto, United Airlines became a truly International Airline when we inaugurated Royal Pacific service to Tokyo and Hong Kong. Through flights are offered from Chicago via Portland and/or Seattle to Tokyo without a change of planes while convenient connecting schedules at Seattle carry Chicago passengers nonstop to Seattle and then nonstop on to Hong Kong.

At O'Hare, United has more than 5,000 employees to fill the needs of the thousands of passengers who fly the Friendly Skies to or through O'Hare every day. In addition to manning the ticket counters, operating an assistance center, preparing meals, loading baggage and providing our customers with safe, neat and clean aircraft, these men and women also provide the many other essential and taken-for-granted services that contribute to a smooth flight.

On the preceding page, you'll find a map of United's terminal at O'Hare. It shows locations of passenger boarding gates and other facilities. You may wish to remove this functional centerfold and tuck it into your wallet or briefcase. It could come in handy the next time you fly our friendly skies to the world's busiest airport.

The Far East. Far Easier.

United offers daily one-airline service to both Tokyo and Hong Kong from more of the top 100 U.S. business centers.

One-airline service means the most convenient connections from 96 cities in the United States.

One-airline service means consistent comfort and dependability from the beginning of your trip to the end.

One-airline service means one airline handles everything from advance seat assignment to boarding passes to baggage handling.

It means a First Class upgrade for International Business Class passengers on a two-class domestic United flight segment, if available.

It means departure through our Seattle gateway—the shortest route from the United States to Asia.

It means that Tokyo* and Hong Kong are part of United's Mileage Plus program.

And, of course, United's one-airline service means our unique three-class Royal Pacific Service.

One-airline service. Only United offers it from so many places in the United States to the Far East.

United Airlines. Connecting more of the top 100 U.S. business centers to the Far East.

United

Three new ways to fly United.

Three more world-renowned travel companies have joined United's Mileage Plus program: Royal Viking Line, Scandinavian Airlines (SAS), and Air New Zealand.

Now, the miles you travel with them build toward your Mileage Plus awards.

And the discounts and free trips you earn can be redeemed with them.

All SAS and Air New Zealand awards include discount or free (depending on award level) United travel to the nearest SAS or Air New Zealand gateway in the U.S.

Royal Viking cruises.

You can select from a variety of cruise options beginning at the 75,000-mile level. And when you travel Royal Viking as a paying passenger, your miles accrue to your Mileage Plus Account.

Scandinavian Airlines (SAS).

Now when you fly SAS across the Atlantic to selected cities (flight must start in the U.S.), your miles count toward Mileage Plus awards. And you can also select SAS awards that include Copenhagen, Stockholm, Oslo or Gothenburg.

Air New Zealand.

**"United covers the
country!"**

United serves more of the top hundred business cities than anybody else. Border to border, coast to coast. And they add service to new cities regularly.

**"United rewards
frequent fliers."**

Business fliers find it pays to join United's Mileage Plus program. The more they fly, the bigger their rewards—and with United's big route system, miles build fast. They earn discounts—even

free round-trips—to any United city. They can also earn free weekends at Westin Hotels and free Avis and Hertz rental cars on Mileage Plus.

**"United speeds me through
airports."**

With United, you can reserve your seat when you reserve your flight. And you can get round-trip boarding passes on United flights in advance... to help keep you out of airport lines.

United

**"Nobody covers the country
like United."**

They cover it with a route system that serves more of the top hundred business cities than any other airline.

And they cover it in a way that offers frequent fliers more comfort and convenience. Such as the world's largest fleet of widebodies and new-generation 767's.

And advance seat reservations and check-in to keep passengers out of lines and moving through airports.

They also cover it with the best award program, Mileage Plus. Because of United's coast-to-coast system, miles build fast, so it's easy to earn discounts and free trips more quickly.
