AIR TRAVEL REGULATIONS

RECONFIRMATION: When you travel to another city by air or other means and will stay overnight or longer, reconfirmation will assure your continuing or return air reservation. Unless you reconfirm . . . your reservation will be cancelled 6 hours before departure . . . and your seat be made available to someone else.

EXCEPTION: You do not have to reconfirm, even though staying overnight, when your stay will be less than 12 hours.

HOW TO RECONFIRM: Simply inform the airline at the city where you will board your continuing or return flight that you have arrived and intend to use your reservation. Do this at your earliest convenience—be sure to reconfirm at least 6 hours before scheduled flight departure time. There are many convenient ways for you to reconfirm. Your airline will gladly recommend the one most convenient for you.

Regulations of the Air Transport Association of America

PASSENGER INFORMATION

Equipment
All flights are operated with either 40 passenger Martin Executives or Douglas DC-3C aircraft, over authorized airways, under certificates issued by the Civil Aeronautics Board.

Reservations
Your reservation should be made in advance by telephone, at any airline ticket office or travel agency. Passengers continuing after a stopover, or on the return portion of a round trip must re-confirm their reservations at least 6 hours prior to the scheduled flight departure time, or their reservation will be cancelled.

Check-In Time for Flights
Our passengers expect on-time performance. To maintain our enviable on-time record for you, we reserve the right to cancel the reservation of any passenger failing to check in at the airport ticket counter 10 minutes before the flight's departure time. Help us keep your flight on time. Check in early.

Children's Fares
Children between 2 and 12 are carried at half fare, subject to \$3.50 minimum.
One child under two years and not occupying a seat will be carried free with each accompanying passenger paying the adult fare.
Children under eight must be accompanied by a passenger 12 years of age or over.

Schedules
The schedule shows the times at which the flight is expected to arrive at or depart from stations, but the carrier will not be responsible for consequences arising from delays or cancellations or from errors in the printed schedule.

Baggage
Forty pounds of baggage including brief case and hand luggage will be carried free on any ticket. Charge for excess baggage is 1/2 of 1% of the one way adult fare per pound, subject to a minimum charge of 25c. The liability of the Company for baggage is limited to \$100.00 unless a higher value is declared and additional charges paid therefor in advance.

Ground Transportation
Ground transportation to and from the airports served by Allegheny Airlines is available at reasonable cost.

Short Ground Times
Through the use of "stepdoors" and efficient ground service techniques, ground time at most intermediate stops has been cut to a few minutes. You're in and out before you know it.
