Reservations

Your reservation should be made in advance by telephone, at any airline ticket office or travel agency. Passengers continuing after a stopover, or on the return portion of a round trip must re-confirm their reservations at least 6 hours prior to the scheduled flight departure time, or their reservation will be cancelled.

Check-In Time for Flights

Our passengers expect on-time performance. To maintain our enviable on-time record for you, we reserve the right to cancel the reservation of any passenger failing to check in at the airport ticket counter 10 minutes before the flight's departure time. Help us keep your flight on time. Check in early.

Children's Fares

Children between 2 and 12 are carried at half fare, subject to \$3.50 minimum.

One child under two years and not occupying a seat will be carried free with each accompanying passenger paying the adult fare.

Children under eight must be accompanied by a passenger 12 years of age or over.

Schedules

The schedule shows the times at which the flight is expected to arrive at or depart from stations, but the carrier will not be responsible for consequences arising from delays or cancellations or from errors in the printed schedule.

Schedules and fares are subject to change without notice.

Baggage

Forty pounds of baggage including brief case and hand luggage will be carried free on any ticket. Charge for excess baggage is 1/2 of 1% of the one way adult fare per pound, subject to a minimum charge of 25c. The liability of the Company for baggage is limited to \$100.00 unless a higher value is declared and additional charges paid therefor in advance.

Ground Transportation
